

Richard F. Kral, Jr.

Cos Cob, Connecticut 06807

I am a thirteen year resident of District 8 currently residing [in Cos Cob] with my wife and 5 children. After graduating Villanova University with a degree in operations management I formed my own commercial construction company specializing in waterfront projects. Over the last ten years I designed, permitted and built the Greenwich Water Club and Beacon Point Marine located on River Road in Cos Cob. My recent volunteer service to the community includes the following:

- * Registered independent with no prior party affiliation
- * 12 year member RTM District 8 serving 4 years as Chairman.
- * Served on the RTM Transportation Committee and Public Works Committee.
- * Currently serving as Chairman to the RTM Public works Committee
- * Completed appointment to the RTM Moderators Special Committee for the CIP and POCD.
- * 7 year member of Town of Greenwich Shellfish Commission, serving as a Shellfish Warden as well. Recently appointed to another 3 year term.
- * Co-chair Greenwich High School Sports Foundation responsible for the Stadium upgrades, lights and new athletic fields.
- * Served on special Board of Parks and Recreation Committee to determine viability of Harbor Management program.
- * Current member of the Greenwich Chamber of Commerce Board of Directors.
- * Greenwich Youth flag football and baseball coach.
