NORTHWEST GREENWICH ASSOCIATION, Inc.

P.O. Box 4842
Greenwich Ct, 06831

September 25, 2014

James Heavey
Chief of Police
Greenwich Police Dept.

I, Allen Williams, in my capacity as President of the Northwest Greenwich Association, Inc. would like to make a donation to the Greenwich Police Department in the form of four (4) Speed Sentry Shield 12 speed detection/display signs, which is the same type and model presently used by the Traffic Section of the Greenwich Police Dept.

According to their manufacture, *All Traffic Solutions*, the fair market value of the speed signs as of this date is \$1,750.00 per sign for a total donation value of \$7,000.00.

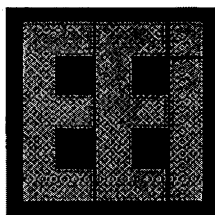

The Northwest Greenwich Association purchased the signs in early 2013 and they have served their purpose for our association and we now wish to see that they be put to good use helping curb the outbreak of speeding for the entire Town of Greenwich in the capable hands of the Greenwich Police Traffic Section.

Our Board and membership at its Annual Meeting in May of this year voted unanimously to take this action to benefit all of the Town wherever traffic speed monitoring is needed.

Sincerely,

Allen Williams

Allen Williams
President
